Carpet & Upholstery Services

We pride ourselves on the fact that we leave nothing in your carpet and upholstery that doesn't belong there. We get rid of stains, smells, and germs that you can't help. Unlike many carpet cleaners, we make sure no soapy residues, harsh chemicals, or extra water is left behind - as these substances can actually make things worse.

We extend the life and restore the beauty of your favorite upholstered furniture. Like all of our cleaning services, our upholstery cleaning service comes with a full satisfaction guarantee. After the cleaning process manufacturers highly recommend an application of fabric protectant to help protect the fabric and ensure it cleans well on the next cleaning. We are more than capable of providing this service as well.

Facade Cleaning

The exterior look of a building is equally important as the interior decoration. Facade is exposed to the ravages of environment and weather, such as rain, dust, pollution etc., which not only defaces the look of the building but also is detrimental for the life of your building. So, it is necessary to keep it sparkling clean and maintained. **Gangour Gaura FMS**

Pvt. Ltd. and its specially trained crew for facade cleaning is second to none in providing the best Facade cleaning services in entire India. The crew is properly trained for any type of Facade cleaning work at all height levels and in all weather conditions, regardless of access difficulties, using rope access techniques, scaffolding, mobile elevated work platforms, high pressure wall creepers, telescopic equipment, reach and wash system, abseiling, traditional ladder access and the safe use of fall-arrest safety harnesses used in conjunction with safety eyebolts.
